Dear Parents:

We are now accepting applications for the Youth Development Program (YDP) for 2015 – 2016 school year. YDP is a free afterschool program for Vintage students in grades 1 through 5. There is a large demand for this program, so in order to be fair and equitable the following enrollment process will be followed:

- Students enrolled in the YDP program must attend 4 out of 5 days a week and stay until 5:45pm each day. Students who miss for reasons other than illness will be dropped from the program.
- First grade students are given priority in the program because there are no other afterschool options available to them. First grade students are not allowed on the after school playground in the YS program.
- Enrollment in the YDP program is for 1 year. Currently enrolled students must reapply each year for a spot in the program.
- Applications are due in the main office by 4:30pm on May 11, 2015
- After first grade spots are assigned, the number of spots available at each grade level will be determined.
- **A public lottery will be held on May 12, 2015 at 3:00pm in the Vintage Science Lab (Room 4) to award the remaining spots. Parents are welcome to attend.**
- Students who are not accepted into the program will be added to waiting list in the order that their names were drawn.
- Parents will receive notification of their status of accepted or on the waiting list by phone call which will be sent shortly after the lottery.
- Parents must accept a position by 4:30PM on Friday, May 22nd, 2015. After this time a student will be dropped and their position given to the next eligible student on the waiting list.

If you are interested in having your child attend the YDP program in 2015 – 2016 school year, please pick up an application in the school office or download a copy from the school website and return it to school by 4:30pm on Monday May 11th, 2015.

Thank you,

Mrs. Nancy Williams-Mourao
Principal

Isaure Blandin
YDP Field Coordinator
