

August 6, 2020 Message from Vintage Elementary Math/Science/Technology Mag

Good afternoon Vintage Parents,

The district has changed the link for parents who would like to request a device or an internet hotspot from the school. Please click on the link below only if you are making a request for a device/hotspot.

<https://myapps.lausd.net/devicecheckout/en-US/AccountAD/Login?ReturnUrl=%2Fdevicecheckout>

You will need to click on **LAUSD Parent/Guardian** then enter the **Access Code: lausd2020** in order to complete the request.

Also attached to this email is the schedule for the pick up of textbooks and devices that was supposed to be included in yesterday's message.
