

Vintage Magnet PTA Banner Sponsorship Program

Thank you for your interest in support of Vintage Math Science Technology Magnet!

Vintage Magnet PTA is offering a great opportunity for local businesses to reach new customers through our Banner Sponsorship Program. This program will enable businesses and private practices to advertise at our school, Vintage Magnet Elementary School (Vintage Magnet), on our website and yearbook, while simultaneously supporting the children of our school. Your advertisement will reach our entire school population – that is over 825 families, plus thousands of motorists and pedestrians driving along Haskell Avenue and Densmore Avenue or Septo Street (location based on Sponsorship Level and on a first-come, first-served basis).

Vintage Magnet is one of the most sought after elementary schools in the Los Angeles Unified School District. We are a Title 1, Award Winning National Blue Ribbon School and have thousands of people apply each year to get in to the school. In order for Vintage Magnet to be able to provide all our students with a stimulating, well-balanced education, the school relies on Vintage Magnet PTA to help finance some of our indispensable programs like Science Lab, Instructional Technology Support, Library, and Supervision. For that reason, we have created the Banner Sponsorship Program.

This is a great opportunity to promote your business/practice. 100% of your sponsorship donation will benefit Vintage STEM Magnet and Vintage Magnet PTA by helping to provide the much needed funding for these programs.

For additional information, please contact PTAVintageMagnet@gmail.com

Thank you for your support and we look forward to developing a great and long lasting partnership!

Sincerely,

Vintage Magnet Elementary School PTA
