

## Reflections National PTA Program 2018-19 Students - Show Us Your Artistic Side!

Students are invited to show off their artistic side. Each year, students across the country participate in the National PTA Reflections program by submitting an original art piece. Students may enter the national awards program through their school's PTA. Celebrate learning the arts in your school by participating in Reflections.

Vintage students are invited to participate in the Reflections Program. All participants will reflect on the common theme **"Heroes Around Me"** and create an original art piece in one of the following categories:

Dance /choreography

Film production

Literature

Music composition

Photography

Visual arts
