

Vintage Magnet Spell-A-Thon!

Dear Parents,

We know we've already asked you to do a tremendous amount of fundraising this year, however we need your help one last time this school year. Our computer lab is in dire need of updated computers to support our technology program and we need your help to raise these funds. **Vintage will be hosting a Spell-A-Thon on Friday, May 16.**

Here's how you can help...

Pledges—Students raise money for the Spell-A-Thon by collecting pledges. Pledges can be “per word” or “flat” donations. We encourage each child to ask only people he/she knows for pledges. Your child is not required to have pledges in order to participate. We accept **cash or checks made payable to Vintage Student Body.**

Attached you'll find a pledge sheet for the Spell-A-Thon. **Pledge sheets are due on Friday, May 16.** After your child participates in the Spell-A-Thon, your child will collect his/her **pledges/donations and return them** to school in the **enclosed envelope by Friday, May 23.** *The 1st - 3rd and 4th grade class that raises the most money will receive an ice-cream party!*

Thank you in advance for all of your generosity and support! Computers and technology are going to be critical components of the new Common Core curriculum over the coming years. It is imperative that we have a state-of-the-art computer lab to ensure our students meet all of the expectations of the Common Core State Standards.
